Help for House of Hope

The community loves to show support for **House of Hope (HOH)** and the people it serves. **Piper's Landing Women's Golf Association** recently concluded its **Holiday Sharing Drive** and raised \$2,130, which will be used for gift cards that HOH purchases and gives to select client families, who then purchase food, clothing or whatever else is needed. **Lorraine Cardarelli** and **Doris Medwin** are Association leaders.

HOH also received items donated from the Christmas event held by friends and members of **St. Luke's Episcopal Church** in Hobe Sound and its **Youth Group**.
